TOP REPORTS
Accra

Dear Ms. Salvetti:

PRODUCTION OF TOP GUIDE MAGAZINE-SPECIAL GHANA EDITION

It was a pleasure to support the successful publication of the first edition of **TOP GUIDE** dedicated to **Ghana**, for distribution alongside *African Business Magazine* and in the top Hotels in the country.

The 2013 guide offers a good overview of the Ghanaian economy, highlighting investment opportunities in different sectors and reaching the perfect target: the investor / businessman looking for potential in the African market place.

I would not hesitate to recommend Top Reports as a professional Agency to any Institution or Company that is looking for a partner to produce first class Special Sections and / or Guides.

The Ghana Investment Promotion Centre will welcome the opportunity to collaborate with you for a second publication dedicated to Ghana.

Yours faithfully

E. B. ASHONG-LARTEY
