Dear Mrs. Salvetti-Ollenu,

APPRECIATION FOR TOP GUIDE – INVESTING IN GHANA 2019/20 Edition

It has been a pleasure to receive copies of your 7th edition of Top Guide – Investing in Ghana, dedicated to the ‘Year of Return’ and the Government’s call to the Ghanaian citizens in the Diaspora to come home contribute to the local economic growth.

We found the guide a notable publication, very useful for potential investors, able to give a detailed overview on the opportunities existing in the country.

It was a pleasure to support this initiative and the Diaspora Affairs Office will welcome the occasion to collaborate with Top Reports for a new edition of the guide in 2020.

We would certainly not hesitate to recommend Top Reports as an Agency producing insightful, high-quality publications.

I take this opportunity to wish you all the best in the 2020 initiatives, in Ghana and other countries as well.

With Kind Regards,

Akwasi Awua Ababio
Director
Diaspora Affairs, Office of the President
